

The FACE it revision model

1.

LEARNT THE FACTS

- Flash cards
- Graphic organisers
- Mind maps
- Knowledge organisers
- Self quizzing

Use your yellow books and green revision books to make revision notes from the learning content.

2.

APPLY IN CONTEXT

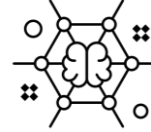

- Tackle questions where the knowledge is tested in context – beyond straight forward recall.

Can you apply this knowledge to different health, social and child care environments?

3.

CONNECT IDEAS

- Attempt questions that require students to draw on knowledge from one topic area or apply knowledge to previously unseen ideas.

Have a go at the activities in the booklet for the learning objective you are currently working on in class.

4.

TEST IN EXAM CONDITIONS

- Use past exam questions to rehearse the process of responding under time pressure.
