

The DAHIT resource provision at Allerton Grange School are committed to being as responsive to the needs of individual pupils as possible. As a result, our pupils follow different timetables with a mix of mainstream and DAHIT “Base” lessons to meet their particular needs. Below are some anonymised timetable overviews for students in the 2024-25 academic year, to give an idea of the range we can offer.

Year Group: 8 (male)
