

## Individual Timetables

The DAHIT resource provision at Allerton Grange School are committed to being as responsive to the needs of individual pupils as possible. As a result, our pupils follow different timetables with a mix of mainstream and DAHIT “Base” lessons to meet their particular needs. Below are some anonymised timetable overviews from recent pupils, to give an idea of the range we can offer.

Year Group: 8 (male)	
Mainstream	Base
