Dear Parent/Carer

We are due to visit your child's school on the 22nd May 2023 to deliver the year 8 pupils 2nd dose of the HPV (Human Papilloma Virus) vaccination programme.

If you have already completed a previous consent form for the course of 2 doses of HPV vaccinations, you do not need to complete another one.

If you have changed your mind about your child having any scheduled vaccinations and wish to withdraw your consent, or you have any questions or concerns, please contact the School Immunisation Team on the number or email given above and one of our team members will be happy to discuss this with you.

Yours sincerely

Leeds School Immunisation Team
