Road Safety Awareness

Be a considerate driver
Do not park on restricted areas on Talbot Avenue or Lidgett Lane
Be respectful of our local residents
Please use the turning circle paying attention to the speed limit
Obey speeding restrictions; they are there to protect our children
Look after the environment and switch off your engine, when stationary, **for cleaner air!**

**Talbot Avenue
Leeds LS17 6SF**

Our ref: LMI – Culture Day
15 October 2026

Dear Parent/Carer

RE – Culture Day 23.10.26

On Friday 23 October, we will be celebrating Culture Day at Allerton Grange. This is our fourth Culture Day and each year it gets bigger and better, so we are very excited for this year's celebration.

Students and staff will be allowed to wear their own clothes, with the hope that many will choose to wear something that reflects their culture. We would appreciate a charitable donation for wearing non-uniform of £1, payable in cash on the day. This year, the sixth form Student Leadership Group have chosen to support North East Leeds FC, a local football club who are trying to raise enough money to buy land and build pitches and a clubhouse for the 800 local children who play there. We have several activities and performances planned, along with stalls for students to visit and some small items for sale. Students can bring a small amount of money with them, which will be added to donations going to our chosen charity.

With overwhelming feedback that food is a huge part of many people's culture and repeated requests for food stalls, will be welcoming contributions of cultural cooking again, to sell on Culture Day. In line with the Food Standards Agency guidance and the newly introduced Benedict's Law, and for the safety of our students, please ensure that:

- the people cooking follow good food hygiene advice
- food is stored and transported safely
- a list of ingredients is provided (we cannot sell your food to students without this)
- **The food contains no nuts**

If you would like to contribute some cultural cooking to our stalls, please follow the guidance above and students should bring donations to the **cyber café before morning registration**. Food stalls will be restricted to the Cyber Café area, allowing students to socialise elsewhere at break and lunchtimes if needed/desired.

All students will be given more information, along with the expectations around this celebration. It will be made clear that Culture Day is a day to acknowledge and celebrate the cultural diversity that makes up our school community, and the inclusive culture that Allerton Grange fosters every day. Students are not to wear or carry flags but are encouraged to represent their culture with national dress or dress to reflect their cultural identity.

We are looking forward to another successful cultural event.

Yours sincerely

Louise Mills, Careers Lead
