Dear Parent/Carer

**IMPORTANT INFORMATION ABOUT YOUR CHILD'S HEALTH**  
**Your child's Human Papilloma Virus (HPV) vaccine is due.**

You may be aware from recent public media coverage that NHS England announced that the HPV programme is reducing from a two-dose schedule to a one dose schedule as of September 2023. This is because the Joint Committee for Vaccinations and Immunisations (JCVI) has advised that a one dose HPV schedule has shown to be just as effective as two doses at providing protection against 9 types of HPV cancers and genital warts. Please click on the following link for the full letter from NHS England and the UK Health Security Agency:

**What do you need to do to consent?**

Please complete the online consent form by clicking **here**: <https://bit.ly/3cmRIkr>

**Or** access the online consent form, by typing the following address into your internet browser:

[https://www.leedsimmunisations.co.uk/Forms/HPV\\_p1](https://www.leedsimmunisations.co.uk/Forms/HPV_p1)

You will need to enter a unique **school code** which is: **EE108058** (Please ensure you enter all letters and numbers.)

**Important: If you do not wish your child to receive the vaccination, you are still required to complete the "refusal section" on the same form so that we understand your wishes. If we do not receive a form, your child will be given an opportunity to consent for themselves on the day after being assessed by a nurse as Gillick competent to do so.**

We are coming to your child's school in **24/01/2024**.
