Our ref: LMI/RRA – Culture Day 2024

08 March 2024

Dear Parent/Carer

Re: Culture Day

On Wednesday 20 March, we will be celebrating Culture Day at Allerton Grange. We ran this event for the first time last year and it was a huge success, so we are very excited to be able to make it an annual Allerton Grange celebration.

On Culture Day, students and staff will be allowed to wear their own clothes, with the hope that many will choose to wear something that reflects their culture. The suggested charitable donation for wearing non-uniform is £1, payable in cash on the day. This year, the sixth form Student Leadership Group (who organise Culture Day) have chosen to support Leeds Hospitals Charity, who help to enhance the care the NHS already provides. This includes life-saving equipment, treatments and research into rare diseases. We have a number of activities and performances planned, along with stalls for students to visit and some small items for sale. Students can bring a small amount of money with them, which will be added to donations going to the Leeds Hospitals Charity.

Throughout the day each year group will be invited to the hall for a Culture Day celebration assembly and lessons will also have a cultural focus.

All students will be given more information, along with the expectations around this celebration. It will be made clear that Culture Day is a day to acknowledge and celebrate the cultural diversity that makes up our school community, and the ethos that Allerton Grange fosters every day. Students are not to wear or carry flags, but are encouraged to represent their culture with national dress or dress to reflect their cultural identity.

We are very much looking forward to Culture Day 2024.

Yours faithfully
