Road Safety Awareness

Be a considerate driver
Do not park on restricted areas on Talbot Avenue or Lidgett Lane
Be respectful of our local residents
Please use the turning circle paying attention to the speed limit
Obey speeding restrictions; they are there to protect our children
Look after the environment and switch off your engine, when stationary,
for cleaner air!

08 June 2023

Dear Parent/Carer

RE: Safer driving assembly by West Yorkshire Police on 13 June

As a Sixth Form Team the safety of our students is paramount to us. We are aware that many of our students are currently learning how to drive and we feel it is important that they receive further education surrounding road traffic safety.

Therefore, we would like to inform you that, on 13th June 2023, the West Yorkshire Police will deliver an assembly to all Sixth Form students to increase awareness of road safety. The purpose of this presentation is to highlight the importance of safe driving and West Yorkshire Police are reaching out to new and pre-drivers in ways to help influence behaviour and attitudes while driving on the roads.

During the assembly, students will be shown some graphic content highlighting the outcomes of poor driving and how it can adversely affect the lives of loved ones as well as all of the people involved in the accident. Young drivers are much more likely to be involved in a crash on the roads, often due to inexperience and lack of knowledge of the risks. Students will be made aware of this in advance of the assembly and asked to come to speak to a member of the Sixth Form Team if they have any concerns.

We hope this talk will provide valuable insight into real life dangers of driving, helping students approach driving with a greater level of maturity.

We feel it is imperative for all students to attend this session, if you have any concerns please contact the Sixth Form.

Yours sincerely

Mrs E Braim
