Dear Parent/Carer

## Re: Important changes to form time after half term

I am writing to inform you of an upcoming change to form time following the half term break. Effective from the week commencing Monday 5 June, Year 12 students will no longer be required to attend form time on a Friday. Students must make sure they arrive on time for their first lesson.

During the half term, all students will receive 2, one-to-one appointments with their form tutor, which will be scheduled in the coming weeks. These sessions are to support students on an individual basis in preparing for their Pre-Public Examinations and UCAS applications.

Form tutors will be writing student references and supporting them in completing their university applications so it is vital that they attend these appointments.

Over the coming weeks students will be receiving information regarding UCAS and Apprenticeship applications, so it is imperative that they attend all of their form times promptly time. You will have received a letter from Mrs. Braim highlighting all of the key dates in the remainder of this term. I would like to highlight again that it is the grades from students' upcoming Year 12 examinations that will be used for the predicated grades section of their UCAS application.

If you have any questions please do not hesitate to contact the Sixth Form Team.

Yours Sincerely

Jordan Macrow  
Assistant Headteacher – Director of KS5
