

# Allerton Grange School Sixth Form

## Road Safety Awareness

Be a considerate driver  
Do not park on restricted areas on Talbot Avenue or Lidgett Lane  
Be respectful of our local residents  
Please use the turning circle paying attention to the speed limit  
Obey speeding restrictions; they are there to protect our children  
Look after the environment and switch off your engine, when stationary,  
**for cleaner air!**

Dear Parent/Carer

## Year 13 Spring Term Information

As we reach the end of the current half term, I would like to ensure that you are aware of the following information.

### Post Sixth Form Careers, Advice and Guidance

We have been supporting students to make decisions about their future by discussing their university offers, and ensuring that they are aware of information in relation to taking a gap year and apprenticeships. This support and advice will continue to be available to all students in Year 13 until the end of term. If your child requires any further support in making decisions about their future plans, please encourage them to speak to a member of the sixth form team, or contact me via email.

### Allerton Grange Careers Fair Thursday 3 March 2022 4.30-6.30pm

We are expecting a range of employers and personnel from universities and further education providers to attend. For more information, please see [Careers Fair Letter](#).

### Student Finance

Please be aware that the application process, for students going to university in September and applying for student finance, is now open. PSHE sessions, which take place during morning registrations, have focused on financial issues including university finance. More information is available at [gov.uk/student-finance](http://gov.uk/student-finance) as well as on the [UCAS website](#).

Below is a list of websites that you should find useful, as well as some guides that you can download to support your child in making plans for next year.

### General

The UCAS website contains lots of useful information about university courses, applying to university, student finance, apprenticeships, gap years and much more. [UCAS Website](#)
