Dear Parent/Carer

## Re: Year 11 Exam Information 2024

As the Year 11 exams begin this half term, I am writing to thank you for your support throughout your child's time at Allerton Grange School. Students have continued to work diligently and I would like to commend them for their efforts.

### Study Leave

In order to best support students moving forward, I would like to inform you that study leave will begin for Year 11 from Thursday 23 May. On this date, all students have their GCSE English language examination, but will be permitted to leave school once this has finished, at approximately 11:00. Following this, students will only need to attend school for their morning and/or afternoon examinations.

Subject teachers have provided students with revision check lists so that they have a clear idea of the subject content they will be examined on in their final GCSE exams. Class teachers have also modelled revision strategies, linked to our whole school strategy, which is broken into stages of revision using the acronym F.A.C.E IT. These resources are available on the school website <https://www.allertongrange.com/main-home-page/parents/current-parents/exams-and-revision-2/> under the side heading 'Revision Resources for GCSEs and A levels.

### Year 11 Results' Day

GCSE Results' Day will take place on Thursday 22 August. Further details around the logistics for study leave, leavers' assembly and results will be communicated to you in a subsequent letter, and via email to your child. Therefore, please could I request that students continue to monitor their school email address following the completion of their exams.

Once again, thank you, and our students, for all of your hard work in preparation for these exams. We wish them every success.

Yours faithfully

Jordan Macrow  
Assistant Headteacher – Director of Key Stage 4
