Dear Parent/Carer

## Year 11 Study Leave

I write to inform you of the arrangements we have put in place for your son/daughter at this critical time in their education.

Year 11 lessons will continue, as normal, until Wednesday 24 May and all students are expected to attend their lessons to ensure they are maximising the time in the classroom with their subject teachers. In order to best support students moving forward, I would like to inform you that Year 11 will be on study leave from Thursday 25 May. Students will only need to attend school for their morning and/or afternoon examinations.

We would ask that every student uses this time at home positively. A range of revision resources and materials have been prepared by curriculum areas so that students are able to access these, via Class Charts, to support them with their independent revision at home.

We have been very impressed by the maturity and resilience shown by our Year 11 students in recent months, and would like to take this opportunity to thank you for your continued support.

We wish them every success in their examinations.

Yours faithfully

*N Drew*
