Dear Parent/Carer

Re: Year 13 Exam Information 2026

As the Year 13 exams begin this half term, I am writing to thank you for your support throughout your child's time at Allerton Grange Sixth Form. Students have continued to work diligently, and I would like to commend them for their efforts.

Study Leave

In order to best support students moving forward, I would like to inform you that study leave will begin for Year 13 from **Monday 1 June**. Students will only need to attend school for their morning and/or afternoon examinations. Revision materials will be made available via MS Teams for them to access before exams and they should all be equipped with the resources provided during the previous term. Students are more than welcome to study in school and teachers will be available to support them during their original lesson time should they wish to take advantage of this.

Year 13 Results Day

A Level Results Day will take place on **Thursday 13 August**, followed by GCSE Results Day on **Thursday 20 August**. On Results Day, students will have the opportunity to consent to their papers being accessed by school staff. We strongly advise them to do so, as this allows for a thorough review of their scripts. Should you feel there has been an inaccuracy in the examination board's marking, please follow our Re-mark policy attached and available on our website. To support parents, all the exam assembly slides, information and resources outlined above are on the 'Exams' page on the AGS website.

Further details around the logistics for study leave, leavers assembly and results will be communicated to you in a subsequent letter, and via email to your child. Therefore, please could I request that students continue to monitor their school email address following the completion of their exams.

Once again, thank you, and our students, for all your hard work in preparation for these exams. We wish them every success.

Yours faithfully

Jordan Macrow

Assistant Headteacher – Director of Key Stage 5
