Dear Parent/Carer

PROTECTING YOUR CHILD AGAINST SERIOUS DISEASES

In **year 9** your child is offered two vaccinations as part of the UK routine immunisation schedule. These are the Meningitis ACWY vaccine which helps to protect against **Meningitis** and **Septicaemia**, and the DTP (teenage booster) which helps to protect against **Diphtheria, Tetanus and Polio**. Your child may also be offered the MMR vaccine to protect against **Measles, Mumps and Rubella** if they did not receive this when they were younger.

How to give consent.

- Go to the website below or click on the following link. This will take you to the online teenage booster vaccination form.
- <https://www.leedsimmunisations.co.uk/Forms/DTPMen>
- Enter the unique school code for your child's school.

The code for **ALLERTON GRANGE SCHOOL** is **EE108058** (please ensure you enter all letters and numbers)

We are coming to your child's school in **5 and 6 December 2022**.

Please complete this form as soon as possible. If we do not receive the completed form before the immunisation session, your child will not have another opportunity to receive their vaccines in school.

Important: If you do not wish your child to receive the vaccinations, you are still required to complete the "refusal section" on the form so that we understand your wishes. If we do not receive a form, your child will be given an opportunity to consent for themselves on the day after being assessed by a nurse as Gillick competent to do so.

Your child will bring a confirmation slip home when they have received their immunisation(s).

For further information about these vaccinations go to the www.gov.uk website and search "immunisations for young people" or click [here](#)

Help with the online form:

If you experience any problems accessing or completing the online form, please contact us on 0113 84 33101.

Please follow our Facebook page '0-19 Public Health Integrated Nursing Service' for useful updates and information on the Leeds School Immunisation Service.
