Dear Parent/Carer

## Re: Year 9 Options Information Event

In order to support you and your child with the decisions they will soon be making around their GCSE Options, and to provide you with some early information about the impact this may have on their next steps, I would like to invite you to a Year 9 Options Information event. At the event, we will discuss the choices available to students, the timeline for decisions to be made, the support in place for students in making these decisions, and what the next steps are for students, based on their GCSE studies.

The Year 9 Options Information event will take place on Tuesday 10 December, in the main hall, at 6.30pm hosted by Mr Fidler and myself. This will follow on from the Duke of Edinburgh Award information session, which is also in the main hall and runs from 5.30 - 6.30pm on the same evening. If you are attending the Duke of Edinburgh session, you may simply remain at school for the Year 9 Options Information (refreshments will be available for parents/carers in between events). If you are not attending the Duke of Edinburgh information session, you should arrive at school for 6.30pm and head to the main hall.

If you have any questions regarding the event, please contact me via email or telephone.

Yours sincerely

Louise Mills
