<b>10</b> <b>GCSE</b>	Architectural Designs	Using google sketch up – ensure all 3 landscape architecture design ideas and 1 final design ideas are completed to a high standard. Log in to google sketchup via RM Unify or your school google drive.
<b>11</b> <b>GCSE</b>	Exam Coursework	Produce an independent photoshoot based on your chosen theme of Layers, Objects or Our World. Set up a still life at home with items you can find around the house (just like how I set up the still life in school for your photoshoot.) Take a minimum of 20 photographs of your set up. Upload the photos to your school google drive so you can access them in your next lesson.
Additional tasks for KS4 (and enrichment for KS3) students.		
<b>12</b>	Sketching Skills	Work will be provided on Teams. Use the lesson to practice your drawing skills and learn new techniques. Look through the powerpoint attached to the MS Teams lesson and choose 1 – 2 techniques you are going to practice. Using objects you have at home and draw them using your chosen technique.
<b>13</b>	Essay.	Continue writing your essay.
