

Maths - Year 7 Term 1

Expectations	Classwork, homework and assessments will have covered topics from:		
	Sequences	Algebraic notation	One-step linear equations
	Equality and equivalence	Place value	Ordering integers
	Rounding	Fractions/decimals/percentages	
Developing	<p>The student is developing their knowledge on most of the expectations above. Assessment shows that the student has knowledge of some of these areas but they have not secured the key concepts in enough detail to be able to recall and apply them in all forms.</p>		
Secure	<p>The student has secure knowledge of all expectations of the Maths curriculum that have been taught so far. Assessments show the student has secured knowledge in all formats and as a result has progressed in line with expectations.</p>		
Complex	<p>The student has clear and complex knowledge and fulfils all expectations of the curriculum so far. Assessment proves this and shows that the student has acquired an ability to recall and apply their understanding to solve problems and reason in varying contexts.</p>
