

## Year 8 - MFL topic : Two tenses

N/U	Code N = Absent from lesson/school and therefore assessment not attempted. Code U = Assessment attempted but does not meet minimum expectations for Developing.
Developing	Can use some of the language and structures from the Knowledge Organiser.
Secure	Can use the majority of the language and structures from the Knowledge Organiser and manipulate some of it to form their own language.
Complex	Can use all of the language and structures from the KO and regularly manipulate it to form their own language.
For information regarding which units of the Knowledge Organiser are covered, please refer to the Curriculum information for Languages for each year group on the school website <a href="https://www.allertongrange.com/curriculum/">https://www.allertongrange.com/curriculum/</a>
