1. Aims

1.1 Allerton Grange School is committed to safeguarding and promoting the welfare of all children. We recognise that children may face different forms of abuse and we work together to protect children from harm. As well as being abused by adults, children can be abused by other young people. This is known as 'child on child abuse'. The school is committed to preventing child on child abuse and will protect children that may be, or at risk of, suffering harm perpetrated by another child. We recognise that child on child abuse is mistreatment and should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up". We maintain an attitude of 'it could happen here' and act in the best interests of the child at all times.

2. Definitions

2.1 The following terms and associated definitions will be used throughout this policy.

- **'Staff' or 'members of staff'** refers to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in, or on behalf of, the school.
- **Child/children** refers to any young person under the age of 18.
- **Safeguarding and promoting the welfare of children** is defined as; protecting children from maltreatment; preventing impairment of children's mental and physical health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care and taking action to enable all children to have the best outcomes.
- **Child on Child abuse** refers to any scenario where a child under the age of 18 abuses another child under the age of 18. It can take place online or offline. The children involved do not have to be the same age and the perpetrator may be older or younger than the victim. Child on child abuse could include (but is not limited to):
 - bullying (including cyberbullying);
 - physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
 - sexual violence, such as rape, assault by penetration and sexual assault;
 - sexual harassment, such as sexual comments, remarks, jokes and online sexual harassment, which may be stand-alone or part of a broader pattern of abuse;
 - upskirting, which typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm;
 - exchanging nude images (also known as youth produced sexual imagery); and
 - initiation/hazing type violence and rituals;
 - abuse within intimate personal relationships and/or teenage relationship abuse.

7.3 We recognise the gendered nature of child on child abuse. However, all staff will be trained to understand that all child on child abuse is unacceptable and will be taken seriously.

8. Procedures to minimise child on child abuse

8.1 The school have a responsibility to minimise opportunities for child on child abuse. We do this by

- Providing staff with training on how to spot the indicators
- Encourage staff to record all incidents or even concerns on CPOMs
- Produce risk assessments which will minimize risk once we are aware of any student specific concerns
- Keep abreast of the latest legislation and training related to harmful sexual behaviour
- Create a safe environment to empower our students to speak out if they witness or experience a concern
- Ensure maximum staff supervision in and around school at all times of the day

8.2 We recognise that some children may be more vulnerable to child on child abuse than others. For example, children who have already experienced abuse, those that have special educational needs or disabilities (SEND), children living in care and children who are LGBTQ+ and/or have other protected characteristics under the Equality Act 2010 may be more likely to child on child abuse than other children. We work to protect children with additional vulnerabilities by using our trained SEND colleagues to support the individual concerned and remove any potential barriers. We will take advice from our Sendco and Sensap as and when necessary.

8.3 We address child on child abuse through our curriculum, in line with [Relationships Education, Sex and Relationships Education and Health Education](#). The curriculum covers the following issues:

- Accessing help and support
- Minimising risk in sexual encounters
- Consent

- Empowerment to make positive and informed choices
- Challenging stereotyping and prejudice
- Improving relationships
- Helping pupils through the process of adolescence

9. Responding to concerns or disclosures of child on child abuse

9.1 The school takes child on child abuse seriously and will respond to all concerns or disclosures of child on child abuse immediately.

9.2 If a member of staff has a concern about child on child abuse, or if a child discloses child on child abuse to them, they will refer this to the Designated Safeguarding Lead immediately, in line with the school's Safeguarding and Child Protection policy.

9.3 Upon receiving a concern, report or disclosure of abuse, the Designated Safeguarding Lead will decide what further action is necessary. This will vary depending on the type of child on child abuse and the severity of the incident/s disclosed. The Designated Safeguarding Lead will take contextual factors into account when managing the report.

9.4 The Designated Safeguarding Lead will always consider the following:

- the wishes of the victim in terms of how they want to proceed. The victims will be given as much control as is reasonably possible over decisions regarding how any investigation will be progressed and any support that they will be offered;
- the nature of the alleged incident(s), including: the level of coercion or threat, whether a crime may have been committed and consideration of harmful sexual behavior;
- both the chronological and developmental ages of the children involved;
- any power imbalance between the children, including consideration of the age of children and whether children have special educational needs or disabilities;
- the impact on the victim;
- if the alleged incident is a one-off or a sustained pattern of abuse;
- if there are ongoing risks to the victim, other children, adult students or school or college staff.

9.5 Depending on the nature of the incident/s, the Designated Safeguarding Lead may:

- seek further information from those involved and witnesses;
- undertake a risk assessment to ascertain steps necessary to safeguard the victim, alleged perpetrator, adults and other children;
- decide to manage the concern internally;
- organise a meeting with relevant staff and agencies to assess risk and agree a safety plan;
- refer the victim and/or the perpetrator to local services for Early Help;
- refer the case to Children's Services via a MASH referral;
- liaise with social workers working with children involved (if applicable);
- make a referral to the police.

9.6 Supporting the victim

9.6.1 The school recognises that child on child abuse has a significant impact on young people and victims are likely to need ongoing support.

- 9.6.5 The school will maintain an open dialogue with the victim's parent/carer
- 9.6.6 If a victim of child on child abuse moves to a new setting, the Designated Safeguarding Lead will share the necessary information to ensure that support for the child continues.

9.7 Supporting the alleged perpetrator

- 9.7.1 Allerton Grange has a responsibility to ensure that an alleged perpetrator continues to receive a suitable education and will consider a range of options in continuing educational provision. Options may include
 - Consider a move to an alternative provision
 - Consider a managed move to another local school if safe and/or appropriate to do so.
 - 9.7.2 We recognise that children who perpetrate child on child abuse may be being abused themselves. The school will continue to safeguard the alleged perpetrator and provide them with support.
 - 9.7.3 A plan to reduce the risk posed by the alleged perpetrator will be put in place as part of the risk assessment made following the alleged abuse.
 - 9.7.4 If the alleged perpetrator moves to another setting, the Designated Safeguarding Lead will share information as necessary to safeguard the individual and other child at the new setting.
- 9.8 The Designated Safeguarding Lead will take advice from children's social care, specialist services and the police as necessary.
- 9.9 Allerton Grange may choose to impose a sanction or punishment on the alleged perpetrator following an incident of child on child abuse. In this case, we will follow the school's Policy for Positive Discipline (PPD – school behaviour policy) in determining the level and severity of sanction.
- 9.10 Where a child is cautioned or receives a conviction related to an incident of child on child abuse, the school will refer to the Police and Social Care for advice and guidance. An appropriate risk assessment will be produced and adhered to.

10. Local Arrangements and Making Referrals

- 10.1 The school adheres to local safeguarding arrangements, as outlined by the Leeds Childrens Social Work Services.
- 10.2 For further details of how the school works with partner agencies in responding to safeguarding incidents (including incidents of child on child abuse), please see the school's Safeguarding and Child Protection policy.

11. Record-keeping

- 11.1 All incidents of child on child abuse will be logged using our internal CPOMs system. This means they will be picked up, actioned and monitored by designated colleagues. An audit trail and timeline will then be regularly updated. Any relevant completed paperwork will be scanned and uploaded for security. Risk assessments if completed will also be uploaded, stored and reviewed half termly.

11.2 Members of staff will follow the procedures for recording a disclosure outlined in the school's Safeguarding and Child Protection policy.

12. Parent/s and Carer/s

12.1 Parent/s and carer/s will be informed of incidents unless sharing information puts a child at greater risk of harm.

12.2 If the child wishes to withhold information from their parent/s or carer/s, competency will be assessed using the Gillick competency and Fraser guidelines (where applicable).

12.3 Children will always be encouraged to speak to parent/s or carer/s about child on child abuse.
